About the Workshop

Get exposed to various conventional design tools and techniques. Get inspired and express your creativity through mediums such as acrylic painting, watercolour painting, pen tools, Adobe Photoshop and more.

Learn the uses of various mediums and create works of art in this specially crafted mixed media drawing programme. Get your creative juices flowing and learn how to draw using pencils, water colour and many more!

At the end of the programme, participants will be able to better understand the uses for each medium and develop a keen eye for design.
